COMPANY OVERVIEW

About Us

Brents Lab is a leading Information and Communication Technology (ICT) company specializing in the development of custom ICT solutions tailored to meet the unique needs of our clients. With a strong commitment to innovation and excellence, we offer a wide range of services, including website development, dynamic website development, SMS gateway integration, Public Key Infrastructure (PKI) implementation, document digitization, indexing, digital security audits, web-based applications hosting, virtual private server (VPS) space renting, help desk support, and cargo tracking solutions. Our goal is to empower organizations with cutting-edge technology solutions that streamline operations, enhance security, and drive digital transformation.

OUR PROCESS

Mission

At Brents Lab Ltd, our mission is to provide bespoke ICT solutions and services.

Vision

Our vision at Brents Lab Ltd is to be a recognized leader in the digital landscape, known for our unwavering commitment to creativity, innovation, and excellence.

CAMPANY VALUES

- **Innovation:** We foster a culture of creativity and continuous improvement, embracing new ideas and technologies to stay at the forefront of the digital world.
- **Integrity:** We uphold the highest standards of honesty, transparency, and ethical behavior in all our interactions with clients, partners, and team members.
- **Client-Centric:** Our clients are our priority. We actively listen to their needs, exceed their expectations, and build long-lasting relationships based on trust.
- **Collaboration:** We believe in the power of teamwork. We collaborate seamlessly with each other, our clients, and partners to achieve shared goals.
- **Excellence:** We strive for excellence in everything we do, from the quality of our work to the service we provide, aiming to surpass industry standards.

WHAT WE DO

PUBLIC KEY INFRASTRUCTURE (PKI)

- ☑ specializes in PKI implementation, a crucial component of secure digital communication. We provide end-to-end PKI solutions, including digital certificates, encryption, and key management, to safeguard sensitive data and transactions.

CYBER SECURITY

- ☑ We specialize in safeguarding your digital world from cyber threats. We provide proactive threat detection, security audits, secure network design, data encryption, and 24/7 monitoring.

DYNAMIC WEBSITE DEVELOPMENT

- ☑ In addition to static websites, we specialize in dynamic website development. Our dynamic websites feature interactive and data-driven elements, offering a rich and engaging user experience.

SMS GATEWAY INTEGRATION

- ☑ We offer SMS gateway integration services that enable organizations to harness the power of SMS communication. Whether it's for marketing campaigns, customer engagement, or notifications, our solutions ensure seamless SMS connectivity.

CUSTOM SOFTWARE SOLUTIONS DEVELOPMENT

- ☑ We design and develop bespoke ICT solutions that address the specific challenges and objectives of our clients. Our team of experienced developers and engineers work closely with organizations to create tailored software applications, systems, and platforms.

SOCIAL MEDIA MANAGEMENT

- ☑ Our expert team specializes in crafting and executing strategic social media campaigns tailored to your brand's unique identity. We handle content creation, scheduling, engagement, and analytics to enhance your online presence and connect with your target audience effectively.

WHAT WE DO?

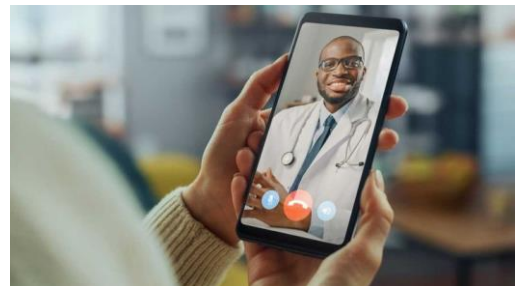

INTEROGATION ROOM

- ✓ A smart interrogation room, equipped with advanced audio and video surveillance technology, allows for secure and efficient questioning, while ensuring evidence integrity and confidentiality

TELEMEDICINE

- ✓ We specialize in the Setup and Configuration of telemedicine services ensuring convenient access to top-notch medical care without the need for in-person appointments

MEDIA EVENT MANAGEMENT

- ✓ we specialize in expertly orchestrating and managing media events that leave a lasting impression. We understand that in today's fast-paced world, effective media event management is essential to make your message heard and your brand recognized.

DOCUMENT DIGITIZATION

- ✓ We offer cutting-edge Document Digitization services to help businesses transform their paper-based documents into efficient, accessible, and secure digital assets.

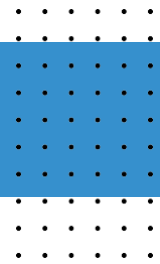

PBX SYSTEM SETUP SERVICES.

- ✓ We are committed to providing you with a tailored solution that meets your specific needs and enhances your overall business operations.

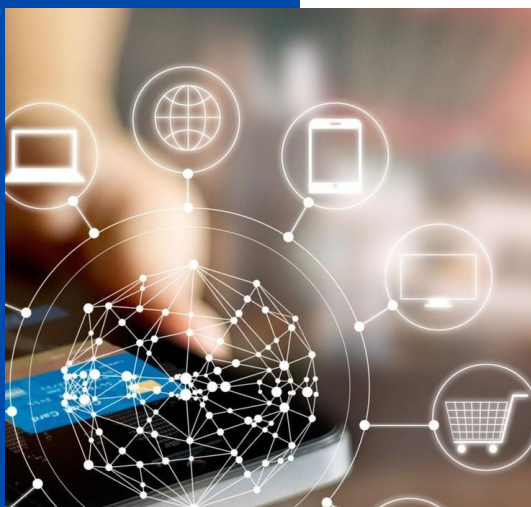

KEY STRENGTHS

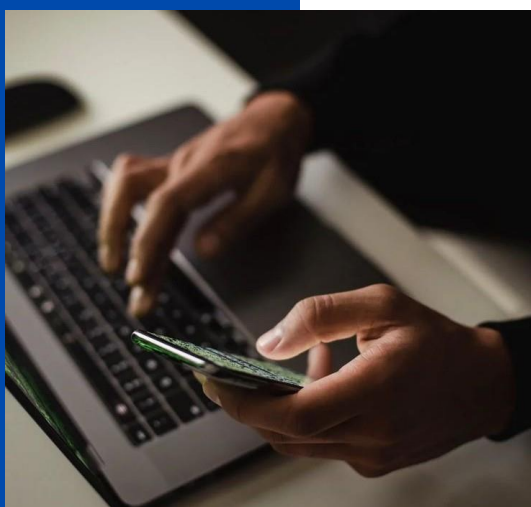

Security Focus

Security is a fundamental aspect of our services, and we implement robust measures to protect data and information assets.

Innovation

We stay at the forefront of technological advancements, ensuring that our clients benefit from state-of-the-art solutions.

Client-Centric Approach

We prioritize understanding our clients' unique needs and delivering tailored solutions that align with their objectives.

Dear Sir/Madam

RE: TAX CLEARANCE CERTIFICATE FOR BRENTS LAB LIMITED - SECTION 81B (CAP 323)

This is to certify that BRENTS LAB LIMITED trading as BRENTS LAB LIMITED with TPIN 1003233308 is duly registered for tax purposes.

In addition, this tax clearance certificate has been issued to BRENTS LAB LIMITED trading as BRENTS LAB LIMITED pursuant to section 81 B of the Income Tax Act (CAP 323).

This certificate is valid up to 31/12/2024.

Accordingly, in terms of section 81 B of the Income Tax Act, for the duration of this certificate, the above named is free to conduct business in line with the trading license held.

Please note that any established act of non-compliance with the provisions of the Income Tax Act shall invalidate this Certificate.

You are advised to always scan the QR code to verify the validity of this Tax Clearance Certificate especially when submitted on a date different from the print date.

Yours Faithfully,

JOSEPH NONDE

Zambia Revenue Authority
